

QD3

Formulated with 5000 IUs of pharmaceutical grade vitamin D3 per serving, QD3 is an innovative and effective way to supplement your vitamin D3 intake. Without adequate levels of vitamin D3, most people are not functioning at their physical and mental potential.*

Vitamin D3:

Vitamin D3 is essential for healthy bones and teeth, a strong immune system, and functioning metabolic system. It may also reduce the risk of osteoporosis and help brain function later in life.*

Features:

- Provides additional nutritional support*
- Formulated with the highest quality natural ingredients*
- Delivers maximum absorption and effectiveness*
- Each tube contains approximately 30 servings*

Suggested Use: Before initial use activate the pump by pressing four to six times. Shake gently and spray directly into mouth up to eight sprays per day.

KEY BENEFITS:

- Helps the body absorb calcium for the formation of strong, healthy bones*
- Supports metabolic function*
- Activates the immune system to function more aggressively against viral infections*
