

EMPowerplus™ Q96 Powder Formula

EMPowerplus™ Q96 is the most-researched micronutrient formula in the world and is unlike any other vitamin or mineral supplement on the market, due to its proprietary formulation and technology.*

Micronutrients for mind and body

EMPowerplus™ Q96 Powder Formula is perfect for kids or others who don't like to swallow capsules. EMPowerplus™ Q96 Berries & Banana or Mandarin Orange is specially formulated to provide essential nutritional support to the brain and central nervous system and deliver a balanced blend of 36 vitamins, minerals, and amino acids in a safe and effective dose for both children and adults.*

Features:

- Quick and easy delivery.*
- Unique 96-hour micronization and nano-chelation process increases bioavailability for maximum nutrient uptake in the brain.*
- Backed by scientific studies conducted at major universities in four countries, as well as research published in peer-reviewed journals.*

Suggested Use: Take one rounded scoop twice a day. Mix with four to eight ounces of liquid, such as milk, juice, or yogurt.

Key Benefits:

- Supports overall brain health*
- Boosts mood stability*
- Improves cognition*
- Promotes Calm, Coping, and Clarity*
