

QB12

QB12 contains vitamin B12 in the form of methylcobalamin to sustain energy and improve endurance by converting carbohydrates into glucose in the body. This conversion leads to energy production and a decrease in fatigue and lethargy. Vitamin B12 is a water-soluble vitamin required for keeping the body's nerve and blood cells healthy and helps produce DNA.

Features:

- Provides additional nutritional support*
- Formulated with the highest quality natural ingredients*
- Delivers maximum absorption and effectiveness*
- Each tube contains approximately 30 servings*

Suggested Use: Before initial use activate the pump by pressing four to six times. Shake gently and spray directly into mouth up to eight sprays per day.

KEY BENEFITS:

- Delivers healthy energy*
- Decreases fatigue and lethargy in the body*
- Supports mental and physical endurance*
